Laugh Corner!

How I learned to mind my own business!

I was walking past the mental hospital the other day, And all the patients were shouting, "13...13...13..."

The fence was too high to see over, but I saw a little gap in the planks, so I looked through to see what was going on...

Some bastard poked me in the eye with a stick!

Then they all started shouting "14...14...14..."

Blue Crush began in 2005, in conjunction with the University of Memphis, and has evolved into a philosophy identify focus areas and plan for reactive operations to reduce crime. We have come a long way, yet we have a long way to go. With help from our Neighborhood Watch associations, we can find ways to come together and continue to successfully fight crime. Here are the stats for March 2010 For the beginning January 1 2009, there have been 695 part one crimes reported in 2009 compared to 641 in 2010 for a net reductions of -54 or -7.77%.
